Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/28/08

Comments must be submitted by September 30, 2008.

Traffic is already gone in Barrington, especially
along Lake Cook and Hunt Roads.
Having heavier EJE on proposed CN
traffic would put Barrington at a
stand still.

I currently own a large commercial
center off 59/14 and traffic
traveling South off 14 to Lake Cook
is already backed up. Promoting more
rail traffic will adversely effect
all car traffic in Barrington.
I vote NO!!
