Debora Wray. Address 4540 Clear Water Lane, Naperville IL 60564. Telephone 1-630-904-5454. Based on the title of the public scoping meeting for acquisition, I did not attend the public meeting. However, now I'm hearing that the comment period will be for construction and increased operations as well and I don't believe that that was clearly stated. So I guess I'm wondering if you're going to be holding any additional scoping meetings or extending the comment period. Also I was wondering is it going to be possible to hold a public scoping meeting in Naperville. I mean, we're a huge city and there has been no meetings here whatsoever. So I guess the last thing is, can we view the Safety Integration period before the comment period ends? I'm sorry, Safety Integration Plan before the comment period ends? Again, my name is Debora Wray 1-630-904-5454 and my address is 4540 Clear Water Lane, Naperville IL 60564. Thank you.
