Environmental Impact Statement

Date: 8/27/08

Comments must be submitted by September 30, 2008.

Please Please Please do not allow this foreign rail company tear away our village. I am a heart patient on the wrong side of the tracks which means I may die while waiting for a freight train to allow an emergency vehicle to cross. Also, I understand that this company has a bad safety record! Also, all the profits will benefit another Country rather than stay in the US. This definitely would destroy all our commercial businesses.

YOUR INPUT IS IMPORTANT!
