My name is Heather Gregorio. My address is 3311 Mist Flower Lane in Naperville, IL. I am just very concerned about the takeover of the CN railway over the EJ&E railway. I guess there was a scoping meeting for acquisition but it was not highly publicized. We did not really understand that the intent of the meeting was also for construction and increased operations. We were wondering if there was going to be additional meetings perhaps in Naperville and we would like to view the Safety Integration Plan before the comment period ends. We're very concerned. We live very close to the railroad tracks. We're just incredibly concerned about there being a lot more noise, a lot more train traffic so close to the homes and schools in this area. Thank you.
