Re: Docket No. EP 770 (Sub-No. 1), *Urgent Issues in Freight Rail Service—Railroad Reporting*

Dear Ms. Brown:

As information, during a recent review of its employment data submitted in this docket, CSX Transportation, Inc. ("CSXT") determined that prior monthly reports erroneously included certain non-CSXT personnel in its active employee headcount for ICC categories 300, 400, and 500, with category 400 being the most impacted. CSXT has identified and corrected the data discrepancy to avoid repetition of this issue moving forward. Additionally, CSXT will resubmit corrected reports for the affected months in this docket in advance of the March 15 filing of its February employment data report. Filed concurrently herewith, please find CSXT's corrected employment data report for January 2024. Please feel free to contact me with any questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jason Marques", written over the printed name.
