

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 08-17-08

MY WIFE & I HAVE A VERY LARGE CONCERN REGARDING THE LACK OF PUBLICITY AS TO THE NUMBER OF GRADE CROSSING THAT WILL BE AFFECTED THE ~~THE~~ THIS ACQUISITION OF THE R.R. BY THE CUB

COUNTY LINE

HOUGH ST 59

ROUTE 14

LAKE ZORICH RD IN THE NEW PARK

THAT'S FOUR CROSSTINGS WITHIN A MILE AS THE CROW FLIES

A LONG 200-CAR TRAIN WOULD LIBERALLY CUT THE VILLAGE IN HALF.

AND IT IS WISHFUL THINKING IF THE FOLKS CURRENTLY CURSED WITH THE AMOUNT OF TRAFFIC THROUGH THEIR MUNICIPALITIES BELIEVE CN WILL NOT ATTEMPT TO GROW THEIR FREIGHT BUSINESS AND THAT NEW BUSINESS WILL JUST REPLACE WHAT THEY BELIEVE - WITH NO GUARANTEES TO THE CONTRARY - THEY WILL BE LOSING TO THE PROPOSED ACQUISITION.

Thank you
