How will CN's proposed acquisition of the EJ&E impact you?

Live in Fremont Twp. Crossings on Rt 60/83
and Gilmer Rd. are w/in 1-2 miles of home.

What alternative routes/rail lines have been or
can be found farther west, say in central
Illinois, for freight thru traffic?

It seems there must be a ^{railway} need, however
if most of the freights can be diverted
away from the rail lines in the suburbs
it would certainly help.
