Anne K. Quinlan
Acting Secretary
Surface Transportation Board
Office of the Secretary
395 E. Street SW
Washington, DC 20423

Dear Ms. Quinlan:

I am writing to state my objection to expediting the EIS process.

Furthermore, I oppose the acquisition of the EJ&E by CN. This would totally destroy the home values in the Frankfort area as well as all the other cities and townships these tracks pass through.

Traffic would be unbearable and in many places at a standstill for long periods of time. This would cause serious delays for emergency vehicles as well as in emergency situations.

Please allow the EIS the time to be thorough. This acquisition is going to affect thousands and thousands of homeowners as well as street and highway traffic.

Sincerely,

Cesar Nannizzi
