Ms. McNeilly -

I'm aware of an approximately 90 minute video but have not watched it. Do a Google search using "Great Lakes Basin Railroad" and then select "Videos" from Google's top menu. You may need to click on "More" to get a dropdown menu containing the "Video" link. When I did this search the video you may be looking for appears near the top of the search results.

Thanks,

Dave

Subject: Can you direct me to the utube explanation of the proposed railroad system that

will pass through Rochelle, IL? I was looking at it and got interrupted and cannot now find it. I am on the planning commission and think we should all look at this nice resource. Thank you for your help. Diane McNeilly
