Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

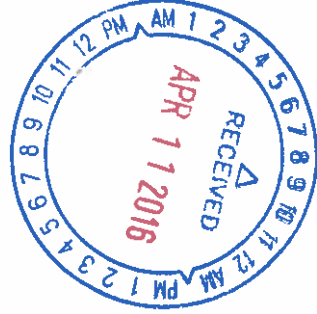

There are multiple areas of wild life
through Northern IL. that would be
adversely effected. Eagles nest on
Kilbuck Creek passing East & west
on Mulford Rd. in Lindenwood. IL.
Deer, Hawks, Coyote, Cranes, frogs &
fox live all along the wetlands
of our back field. We cannot
disturb the fragile ecosystem. Please Help.
