Re. STB Docket No. AB-156 (Sub-No. 26X)
Abandonment of Trackage Located
in Green Island, NY

Dear Mr. Williams,

On May 17, 2007, R. Freedman & Son, Inc. (Freedman) filed a formal Notice of Intent to File an Offer of Assistance in the above matter and requested Delaware and Hudson Railway d/b/a Canadian Pacific Railway Company to provide information pursuant to the requirements of 49 C.F.R. 1152.27(a). By decision served June 15, 2007, the Board tolled until August 20, 2007, the time for Freedman to submit an OFA and extending until August 30, 2007, the effective date of the exemption in view of circumstances which delayed the date by which D&H expected to provide the requested information to Freedman.

By letter addressed to the Board dated July 19, 2007, D&H has requested further extension until August 31, 2007, to provide the requested information. In the circumstances it is requested that the time period for Freedman to file an OFA be extended until September 30, 2007, to afford Freedman adequate opportunity to evaluate the information to be provided and to develop an appropriate OFA.

Respectfully submitted,

Keith G. O'Brien
Counsel for R. Freedman & Son, Inc.
