Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/28/08

I have plenty of problems with this
ACTION. We are currently qualified as a
Quiet Zone. This will disqualify Barrington.
I have a home, family, hectic life styles, we
did NOT sign up for horns blowing all day
and all night. The safety issues are even
more critical. Every minute an ambulance
or fire truck sits behind a gate lives
are lost. We had plans to use these tracks
for commuter needs - JUST AS IMPORTANT!
What happens to our West Coast ports
when Canada's ports absorb this freight?
JOBS COST! THIS SUCKS!

YOUR INPUT IS IMPORTANT!
