Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

Our town will come to a screeching halt if
this goes through.

God help anyone - adult or child - that needs
to get to a hospital when the train has all
these intersections blocked more than twenty
times a day.

If you live south of Lake-Cock Road, there is
no way you could get to a hospital or a
fire truck couldn't get to your home in an
emergency.

If you think the accident in Fox River Grove
was bad when the school bus was hit by
the train, just imagine 24 trains a day
by the high school!

YOUR INPUT IS IMPORTANT!
