I am against the CN purchase of the EJ&E because

- increased rail traffic at West Bartlett Rd
- emergency vehicles may not reach my residence quickly jeopardizing my safety
- increased hazard material in my area and near a school
- increased air pollution with cars stopped at train crossing idling waiting for train to pass
- increased possibility of train accidents

Please consider my objections. They are real and impact my community significantly.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
