Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

8/27/08

Comments must be submitted by September 30, 2008.

To whom this concerns

I oppose the purchase of the ~~CN~~ E, J & E railway
by CN. The impact to the Barrington community
would severely deteriorate the quality of life for my
family. The change in freight traffic would be disruptive
to the Barrington community, while at the same time
would not improve disruptions to other communities the
purchase is expected to help. This purchase should
not proceed.
