There are many concerns that are or will take place if this passes. Barrington sits in a tough place with having its major intersections affected by the RR from
My children who now drive to school everyday will encounter delays + risks on a daily basis. That is of least concern.
Major concern is I have an elderly aunt who just moved to Barrington who will no doubt use the emergency facilities and hospital. Good sheppard. Both intersections become an issue to where she is now located.
Just listening to other comments from the Village have other concerns that a common citizen has not even considered. Water issues, congestion issues, etc.
We in Barrington already deal with sufficient delays + plan for them. It seems absurd to have to live in this town and have to always worry about the impact the train has on my schedule or child schedule on a daily basis.
No CV in Barrington enough is enough.
