Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 9/16/08

Comments must be submitted by September 30, 2008.

I strongly urge you to reject the purchase of the E.J. and Eastern Railway company by CN. After going to the Public Hearings and reading many articles it is clear that this purchase would have a strong impact on our community and way of life. I can't tell you what an awful feeling that is for a long time resident. It seems very unfair that a company can make a purchase that would create so many negatives for an area. Since we residents can do nothing, but try and make our voices heard we must depend on the STB to make the right decision. Please reject this sale!

Thank you
David McAllister
