Hi Barbara,

I need to wait until I hear from the SHPO regarding the draft Implementation Plan and APE modification letter. I have very few comments, but the SHPO is more familiar with this aspect of the project. I will try to contact Shina today and see what, if any, comments she has. It looks as though the new APE will have fewer impacts overall though.

As far as communication is concerned: I think if you keep me in the loop regarding your plans for the project, we'll be fine. Feel free to call me at the number below anytime regarding any questions or concerns you may have!

Thanks again for the nice revision!

All the best,
 Cathy
