1 MS. FELTZ: Sheila, and the last name is
2 Feltz, F-E-L-T-Z.

3 I'm against the proposed CN
4 acquisition. It would significantly impact the

5 quality of life in our community by negatively
6 impacting the response time of emergency vehicles,
7 affecting life and death situations.

8 It would impact the time of
9 transportation needed for students to and from
10 school.

11 It would impact the lives of
12 commuters significantly by increasing commute
13 time.

14 It will just devastate our
15 community by increasing the train traffic which
16 cuts through, well, actually dissects the
17 intersection of Barrington. That's it.
