Subject: Docket No. FD35952

Dear Mr. Narecky,

It is my request that you vote AGAINST
Docket no. FD35952.

This Railline will destroy many acres
of the best farm land in the United States.

Not only will farms be divided but drainage
systems (which I have worked on most of my
working life) will be disturbed beyond repair.
This will seriously effect the production of
this land.

This railline will cross my farm
lane blocking my only outlet, my most
personal concern.

Again I ask Vote AGAINST Docket
no 3592

Sincerely
Kenneth E. McCormick
