Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: Aug. 28, 2008

Comments must be submitted by September 30, 2008.

Businesses near crossing will not be able to accomodate customers. Customers will be lost - businesses close.

Potential ^{damage} to aquifers ~~is~~ is huge

Are communities that will be forced to accept the inconveniences be expected to pay for them?

What about access to our communities by emergency services? It too will be a nightmare.

Why move the rail traffic from areas equipted to deal w/ it to areas w/o the infra-structure?

There must be existing tracks that do not run through populated/developed areas. Are these areas being investigated?

YOUR INPUT IS IMPORTANT!
