Transcript:

The reason I'm calling is I'd like to request a public meeting on the CN purchase of EJ&E Railroad in the Naperville-Plainfield area. I'd like to learn more about the EIS and be able to have more information on how it's going to affect my community, I don't think the EIS currently addresses how much noise this will produce as well as the unacceptable level of taxes that will be taken on by the communities. So I would strongly urge that the STB put a public meeting in the City of Naperville and Plainfield. Thank you
