I Live about 1/2 mile from the railroad tracks - Our subdivision of about 180 Homes will be greatly impacted by this acquisition - noise, traffic, and the environment will greatly diminish our quality of life, & those of our children and grandchildren & mail traffic will be horrendous - & what about the two senior citizen complexes at Gaylord & Pennick Road - about 800 - Residents who need ambulance & medical care from Joliet - we are pleading for help from the neighboring communities to stand against this acquisition - we see no benefit at all to any of the communities that will be affected by it -
