Hello Mr. Cabrera and Mr. Miller,

The Union Pacific Railroad Company intends to seek authority from the Surface Transportation Board (Board) to construct and operate six miles of new rail line in Maricopa County, Arizona. An initial agency consultation letter is attached that provides additional information about the project and requests your agency's input regarding the proposed rail line by January 10, 2022. These letters were also mailed to your office on December 9, 2021. Please let us know if you prefer to receive future correspondence by mail or electronically and the preferred point of contact for your agency.

If you have any questions, please contact Adam Assenza, the Board's Office of Environmental Analysis Project Manager, at (202) 245-0301 or Adam.Assenza@stb.gov. We greatly appreciate your assistance and look forward to your participation in the Board's environmental review process for this project.

Thank you,
