Re: STB Docket AB_1272_0_X; Decision Document 50367 of August 7th, 2020

To: Surface Transportation Board

In light of the discussion to consider CXTR's request to withdraw its request for authority to abandon and instead limit its petition to authority to discontinue, we would like to reaffirm our position as stated in our filing of September 19th, 2019. Again, while not taking a position on the merits of an abandonment request, we request issuance of a Public Use Condition as well as a Certificate or Notice of Interim Trail Use rather than an outright abandonment authorization between Lometa and Brady, Texas.

Respectfully submitted,
