Comment Form

**Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company**

STB Finance Docket No. 35087

Date: AUGUST 27, 2008

Comments must be submitted by September 30, 2008.

The proposed CN Railway acquisition of the EJ&E will significantly impact residents of Barrington, including us! Traffic congestion to get to the Metra train and to our kids' school will ~~be~~ impact our commutes. The impact on Emergency vehicle access and response time is also of utmost importance for us and our neighbors throughout Barrington.

Barrington is already land locked and cannot handle the traffic congestion on Rt 59 through town; on Rt. 14 all the way through town, and on Cuba Road to approach ELa.

Please reconsider!

Thank you.
