I am calling in reference to STB finance docket #35087 and I have a problem with safety issues entering and leaving my subdivision. We already have 8 trains crossing this road daily. We do need 38 trains. We will never be able to make it to work or anywhere else. Also, there is, if I understand it, a hazardous material problem and we do not want our environmental, daily air quality changed. My name is Janis Gardley. I live at 4871 Meadow Lake Court, Richton Park IL 60471. Again, I really object to this being done. I'm definitely, totally against the purchase of the EJ&E by the Canadian National Railway Co. It is just putting an inconvenience in all our subdivisions and our daily quality of health. Thank you.
