To Whom It May Concern:

Since 1984 we have been a resident of this fine Village. We have witnessed this Village come together on many occasions for the good of the Village, and its residents. The CN/EJ&E action will ruin the fabric of the community, upset its infrastructure, and cause havoc in the daily lives of its residents. There is nothing "good" that will occur with this move, and we are against this issue. Accurate review of this circumstance must be done immediately and not ~~be~~ handled by the few who do not know the value of our life in Barrington.
