Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 9/10/08

Comments must be submitted by September 30, 2008.

Our family support this endeavor.
The trains are HORRIBLE - they
blow more than three times and
tap on the horn - my home shakes
along with my windows.
Some consideration for the community
would be greatly appreciated.

YOUR INPUT IS IMPORTANT!
