

My Concerns are directed to 8-12-08 I
 Phillis Johnson-Ball

My name is Patricia A. Widowski
 I live at 1900 Foxwood Dr
 New Lenox, IL 60451

My husband and I have lived
 here for over 19 years and
 love our town.

We are concerned about our
 town. What is going to happen
 to our town and Will County.

How can a foreign country
 make all the rules. This is
 our country.

We are senior citizens. What
 happens when we need to get
 to a hospital with health
 problems. Do we have to wait
 for your trains? Yes because
 we live south of all the tracks.

Young families with children II
going to any of our four High
Schools will have to wait
for your trains -

What about our children and
Grand children in so to 30 years
How many of your trains
will they have to wait for.
CN has a one track mind.

Let us pray!

Health, safety, guidance
our welfare, tops this just
can't happen - not for us and
not for the future -

Please don't let this happen
not

Please from my heart let
this happen!
