REQUEST FOR EXTENSION OF TIME

Consolidated Rail Corporation (“Conrail”) requests a two-week extension of time to comply with the Board’s order in the captioned docket served December 2, 2021. The order directs Conrail to submit supplemental information regarding the status of the Tresckow Branch, and it suggests the National Archives and Records Administration may have certain potentially relevant records if Conrail does not have them in its files. Conrail does not have the records in its files, and it has made arrangements to search for them in the Archives. However, access to the Archives is extremely limited due to the pandemic. We believe our representative will be able to search for the records in early January 2022. Accordingly, Conrail asks the Board to extend the deadline for submitting supplemental information to January 17, 2022.

Respectfully submitted,
