Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

This amounts to a taking because it was not expected that this route would be for freight. We understood it to be designated for future commuter traffic. The government should buy the land on both sides of tracks as originally contemplated when the rails were installed.
