

Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

I am an elderly widow and the railroad would
slow any medical help arriving in a timely
manner due to road closures.

More than half of my income is from farm
rent. Some of the land will be split into
smaller fields, making it necessary to travel
miles to get to it and with the larger equipment
very difficult to work. There is a wet land across
the road from my house which has always been
there and by law cannot be drained.
