How can the Railroad say it will
not hurt traffic on St 59 in Bartlett?
2 mile train on one of only major North South
road west of St 83. Also South Rd by Powis
would be affected. Trains already cause huge delay.
We had a fire across at street from our house
2 weeks ago and the Bartlett Firedept got there
in 10 minutes. What if a train blocked 59
& Powis (that's not 2 miles) the house would have
burned to the ground. Even if approved the
road need to put limits on crossings & safety
