

080214 Lyons

This is John Lyons. My address is 117 Congress Drive, New Linux IL 60451 and calling in reference to docket number 35087. I have many concerns regarding the number of trains that will be coming through area as well as the safety issues regarding the trains that will be going through the area and the amount of time that it will take for us emergency vehicles to get through if there are emergencies as well as traffic in the area. I believe that this should be something that should be put over the street or under the street so that we will not have to be affected by these trains. Thank you.
