Message: I am to the additional trans on the E&J Railroads in my community. The traffic is already full and with 15 or more trains per day passing it will be very difficult to get around. Also there are many homes that reside directly along the railroad tracks. The property value will greatly decrease as well as the noise and pollution for those homeowners. I hope that you will help our community by not allowing this to happen. Thank you for your time,
 Nancy Luna
