Subject: FD 35852: Draft Work Plan

Kathryn -

Pursuant to Section VI.A of the Memorandum of Understanding (MOU) among the Board, Canaveral Port Authority (CPA), and ICF for the subject case, please find attached the draft Work Plan for preparation of the environmental impact statement. The Work Plan was initially prepared by ICF and submitted to OEA for review and comment. As specified in the MOU, ICF submitted the draft Work Plan to OEA within 30 days after the MOU was executed.

The attached draft reflects OEA's input to the document. OEA will finalize the Work Plan upon receipt and consideration of any comments by CPA.

Please let me know if you have any questions.

Thanks,

Dave
