Message:

I have been informed that the transportation board is going to increase the train traffic from 14 trains a day to about 50 on the railroad line that crosses Ogden Ave and Frontenac Road in Aurora, IL. There already enough delays morning and nightly at the crossings from these trains. Plus these trains are in the backyards of the Lakewood Valley Homes. My kids play on the trails back there and to have increased traffic would not be good for the community. On top of that the noise pollution these trains cause at 4 AM or sometimes earlier. Please DO NOT increase this route. Thanks Brian Brown
