Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I am strongly against having CN add to
Barrington's traffic congestion by adding more
train traffic through our town.

I feel that CN is extremely single minded in
their attempt to expand their business
and have not taken into account how
the quality of life will be affected by
those living in this community.

YOUR INPUT IS IMPORTANT!
