Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

Have members of the STB (all the members) come to Barrington to see our communities and the EJE tracks and where they cross our major highways? Rt. 14, Rt. 59 and Lake-Cook Rd. which is our main Street!

The dangers of CN taking over EJE and having up to (and probably more) ~~th~~ twenty more freight trains crossing these major highways ~~are~~ are monumental! It's MANY accidents waiting to happen!

Children, community members, fire and safety vehicles, emerg. routes, our health - ie: soot in the air, noise, etc., and so many more aspects of our every day life are 100% more important than CN making more money. This is the U.S. of A. NOT Canada!

Thank you.

YOUR INPUT IS IMPORTANT!
