Please do not approve the acquisition of the EJ & E rail Line by CNR. I am adamantly opposed to this acquisition. It is nothing but BAD for all the communities through which this rail line passes. After the acquisition of the line the proposed increase, more than 400% a day (from 5 trains/day to 27 trains/day), will minimally:

- 1) Dramatically increase auto congestion in areas that are already congested;
- 2) Substantially increase the risk of accidents to both automobile and pedestrian traffic at the rail crossings;
- 3) Severely hamper the ability of Fire and Rescue and Law Enforcement personnel to reach homes and people due to the congestion and increased train traffic;
- 4) Negatively impact property values in all affected communities; and
- 5) Increase the level of pollution.

Please DO NOT approve this proposed acquisition.
