Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8/27/08

My concerns are with the current congestion throughout the Chicago land area and the impact this will have on our lives. The environmental impact of this change does not outweigh the benefits it brings.

THE LONG TRAINS WILL IMPACT OUR EMERGENCY RESPONSE SERVICES AS THEY WILL NOT BE ABLE TO PROCEED THROUGH THE RAIL CROSSINGS.

WHILE I DO NOT LIVE NEXT TO THE ROUTE,
I TRAVEL THE CROSSINGS TWICE A DAY.
THIS IMPACTS MY TIME AS I WAIT FOR ADDITIONAL
RAIL TRAFFIC.

NO TO MORE RAILS THROUGH CHICAGO!
