How will CN's proposed acquisition of the EJ&E impact you?

I grew up in Northbrook with freight tracks almost adjacent to our property - As a resident of Lake Zurich, I cannot believe the acquisition as described could possibly be under consideration! The negative impact with regard to SAFETY, CONGESTION, POLLUTION, and NOISE are UNIMAGINABLE!!! The communities that would be affected in Lake County are certainly NOT CONFIGURED to accommodate the increased volume through residential areas. I don't pretend to be fully informed of all the issues, but there MUST BE A MORE REASONABLE OPTION - as this proposal is simply UNACCEPTABLE!!!

THANK YOU FOR ALL YOUR TIME AND EFFORTS!!!
