STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

This will negatively impact my life in many ways, as well as the lives of many of my neighbors. We will not be able to get to our jobs or schools. I am concerned about the poor safety record of the CNRC as well. This will adversely affect all area residents. The lines they are proposing to use were not built to handle the volume of traffic which the CNRC is proposing. ~~Increased~~ Increased trains will negatively impact everyone on this route. There must be another solution.
