DOCKET NO. NOR 42052

UNION PACIFIC RAILROAD COMPANY—PETITION FOR DECLARATORY
ORDER—UNILATERALLY IMPOSED INTERCHANGE CHARGES

**CANADIAN NATIONAL RAILWAY COMPANY
NOTICE OF INTENT TO PARTICIPATE**

Pursuant to the Surface Transportation Board's order served January 14, 2002 in the above-docketed proceeding, Canadian National Railway Company ("CN") files this Notice of Intent to Participate. CN's representative will be:

Mr. Paul C. Miller
General Manager, Transportation Services
Canadian National Railway Company
10004 104th Avenue, Floor 24
Edmonton, AB T5J 0K2
Phone: (780) 421-6259
Fax: (780) 421-6396
paul.miller@cn.ca

In his current position, Mr. Miller is responsible for, among other things, CN's network capacity planning, crew and traffic management systems, and the Customer Support Centre. He has experience in the

operations, marketing and planning fields. Mr. Miller joined CN in 1978, starting with the Industrial Engineering Group.

CN considers the subject under review in this proceeding to be an important issue. We believe the carriers should meet at their earliest convenience to resolve interchange delay issues and develop solutions to problems caused by such delays. Whether it be through utilization of the car service rules or other alternative methodologies, carriers need to fully discuss how best to facilitate the free flow of cars through interchanges at major gateways.

Respectfully submitted,
