3 Just a comment of saying that we
4 totally are against any kind of acquisition or
5 this sale. We moved out here because our nice
6 peace and quiet and resort-like community, and now
7 we are kind of just going to be back where we were
8 when we moved from Chicago.

9 We are against it because of the
10 chemical problems, the tanker cars that they have,
11 and any kind of hazardous waste is not going to
12 work for me.

13 That's about it.
