Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

*Excellent format and controlled comments
from a variety of Barrington residents.*

*Three minutes was a relatively short time
frame to allow these people to provide the
details necessary to clearly outline that
how improbable it is to allow another
train to be installed in Barrington. The
future problems are so many as to
negate the possibility of another train impact
on Barrington! There could be major
negatives from all sources of reasons.
and certainly no reason to allow
this to occur.*

YOUR INPUT IS IMPORTANT!
