1 MR. STEVENS: My name is Michael
2 Stevens. This is my wife Barbara Stevens
3 S-T-E-V-E-N-S. We live at 22396 Autumn Drive
4 A-U-T-U-M-N drive in Frankfort 60423.

5 We live just south of the EJ&E so we
6 are concerned about the increase in noise and
7 pollution and also the increase in hazardous
8 material. Also the grade separation at Route
9 45 just north of Laraway.

10 We are concerned about the old
11 dilapidated condition that it's in and the lot
12 of work that's going to be needed to be done
13 there. As you know, Route 45 is four lanes
14 just north of there. And as you get close to
15 that grade separation, it narrows down to two
16 lanes.

17 I think if work is going to be done to
18 that grade separation, it needs to be taken
19 into account for making it a four lane road
20 all the way to Laraway.

21 The pollution, the noise, the
22 hazardous material. I think that about covers
23 it.
