My name is Debbie Petranek. My address is 4128 Peak Suckle, Naperville IL 60564. Based on the title of the public scoping meeting for the acquisition, I did not attend because Naperville IL area was not indicated. Now what I am hearing is that it is going to affect us greatly with the construction and increase of the train-lines. I don't think this was made clear. I don't understand what it's going to affect me with and I would like additional meetings and information and a public meeting to be held in Naperville to clearly state the safety issues that this is going to be regarding. Please let me know how we can move forward on this so that I can get a better understanding. Nothing was clearly stated and how it affected my immediate community. Thank you.
