Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

I oppose this railroad project for many safety concerns at train speeds at crossings, loss of local jobs, water pollution there are several streams running through the railroad which drain into the Kankakee river, and the loss of many family farms like ours.
